Limited Warranty

Your Kett Inc., equipment is warranted to be free from defects in material or workmanship for a defined period from the date of delivery. In addition, Kett products are guaranteed to meet product specifications when used properly and maintained properly. Repair (or at our option, replacement) will be made of any unit that proves to be defective during this period, provided the unit is returned properly packed, with all transportation charges prepaid, to Kett Inc. at the address given below. Any repair approved hereunder will be made without charge to the owner for parts or labor. This limited warranty extends only to the original purchaser, is not transferable, and is limited to the purchase price of the equipment. In no event will Kett Inc., be liable for any incidental damages resulting from the equipment or any defect.

To make a claim under this limited warranty, the original sales ticket or shipping documents to establish date of purchase must be provided. In addition, returns must be pre-approved with a Return Authorization number obtained from Kett.

This limited warranty does not extend to units that have been subjected to misuse, abuse, neglect, accident, or to units that have been used in violation of operating instructions. Equipment which, in our judgment, shows evidence of having been altered, modified or services without our authorization, or which has had its serial number altered or removed, will be ineligible for service under this limited warranty.

This warranty gives you specific legal rights, and you also have other rights that vary from state to state. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above exclusion or limitation may not apply to you. Return of the enclosed warranty registration is not a condition precedent to warranty coverage and performance.
